4. ELSEWHERE

11 CORPSENG LENGTH SERVICE WITH CORP

Note: Number at end of variable name indicates whether the answer came from shop floor (8); shop steward (6); supervisor (5); marketing manager (7); management services (4); finance manager (3); personnel manager (2); senior line manager (1).

EXPLANATION (ie what question does this answer)

2018

3. This variable allows you to choose whether you want an answer on all 464 variables or each of 662 shop floor employees or just the actual answers given by each respondent.
4. If you think that the scheme will lead to redundancy or severance, how many jobs do you think will be affected?

IDENTIN8 This is the employee identifier.

BWCOLLA8 Whether scheme relates mainly to blue or to white collar workers, or to both.

ORDERNO8 This is the Standard Industrial Classification Order number appropriate to the firm.

TYPWRKX8 This indicates whether the work type covered by the incentive scheme is mainly manual or not.

PRODSER8 This variable indicates whether the firm outputs a product or a service.

LOCATIO8 Location within the U.K. where the firm is located.
